

**Charitable Sponsorship  
Opportunity Supporting:**

**LOST RIVER  
SPORT FISHING TOURNAMENT**

Thank you for considering sponsoring the 7<sup>th</sup> Annual  
Lost River KDWC Fishing Tournament and Chili Cook-Off!

[www.lostriverfishingtournament.com](http://www.lostriverfishingtournament.com)

This event is hosted by Lost River Plantation, a Stuart FL Home Owners association <http://www.lostriverplantation.net> whose purpose is to promote awareness and raise donations for The Rivers Coalition Defense Fund <http://www.riverscoalition.org> (non-for profit 501.c3). An organization dedicated to fighting for a safe, healthy, and ecologically balanced St. Lucie River.

The St. Lucie River is one of Florida’s most coveted estuaries and water ways. For nearly 50 years, our river has faced an environmental disaster due to unnecessary lake discharges, causing significant damage to the river’s ecosystem, as well as the economic and social benefits our river provides the Treasure Coast area.

Now in its 7th year, this annual event draws attendees from throughout the Martin and Palm Beach Counties. As a Sponsor, you’ll receive valuable visibility not only to the event attendees, but throughout the Treasure Coast area as the event shirt has become a highlight of the event and worn proudly & often. More importantly you will be directly supporting a cause that impacts us all in our region.

**Sponsorship Levels:**
